No. 3. the Kansas City fast mail on the Wabash, had a narrow escape from serious wreck near Litchfield on the Thirteenth division yesterday afternoon. A flange on a baggage car truck gave way, and had not the engineer promptly realized the trouble and stopped his train, a wreck might have been occasioned. The truck dragged across a small bridge, damaging it considerably, but the reduced speed prevented injury to the cars.

—The bowling alley and clubhouse at Leclaire caught, fire yesterday afternoon at 4:15, and a general alarm was sounded, the Edwardsville apparatus being also called out. The roof and a portion of the walls burned. There is no reason discoverable for the blaze.

—County Judge William P. Early yesterday appointed William H. Shaffer Oll Inspector for Edwardsville. A petition was presented by citizens asking the appointment, and as the Standard Oll Company has a station here it was shown to be necessary. Alton has an Oll Inspector, as provided by statute for several years, but this is the first appointment in Edwardsville. Mr. Shaffer filed bond in the sum of \$500 with W. R. Crossman and George M. McCormick as surettes.

FATHER POWER ENTERS SUIT.

Asks Foreclosure on a Promissory Note in Clayton Court.

The Reverend Gerard D. Power, pastor of the Church of the Immaculate Concepin Canada, filed a suit of foreclosure in the Clayton Circuit Court yesterday against Joseph T. Donovan, John and Lizzie Strausser and the Fidelity Realty Company to realize on a \$1,500 promissory note.

He alleges that on February 15, 1893, the defendant Straussers executed a promissory note for \$1,500 in favor of P. J. McNulty and that the note subsequently passed into his hands. He alleges that the defendants defaulted in their semiannus to linterest. A tract of land in Hazel Hill, given as security for the note, subsequently passed into the control of the Fidelity Realty Company, which brings the latter in as a defendant. Mr. Donovan's name is included in the list of defendants, owing to the fact that a deed of trust was given him on the property. In addition to the foreclosure, Father Power asks that the land be advertised and sold at public auction.
